Advertising agency in Bolivia

1999-2001

Graphic Designer at Brand Group-
Design Studio in Buenos Aires

I am a senior graphic designer and offer creative solutions to your image problems! Every problem is unique, therefore each solution must also be so. I add technical efficiency and originality in each of my professional proposals.

SKILLS:

- Excellent English communication skills — written and oral.
- Proficient in Adobe Photoshop, Illustrator, and InDesign
- A proven ability to work on multiple projects at once, designing for a wide range of varying brands, audiences, and industries
- Strong attention to detail
- Creative and technical problem solver with an obsession for finding solutions.
- Working under tight deadlines.

WHAT I DO:

CORPORATE IDENTITY:

- logo design, stationary design
- branding and identity programs
- institutional presentations

EDITORIAL DESIGN:

- newsletters and graphic campaigns
- brochures and flyers
- posters and signs
- annual reports
- books and magazines
- product catalogs and user manuals

PACKAGING:

- structural design
- label and package design

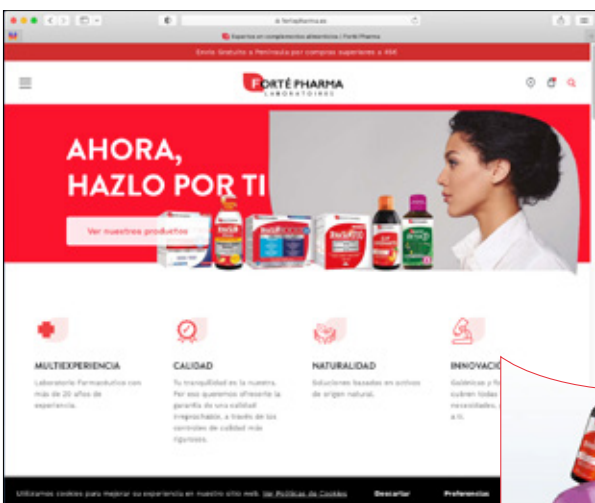

MODERN CALLIGRAPHY:

- graphic campaigns
- chalkboard lettering
- windowlettering
- comission work with quotes
- workshops
- lettering influencer in my Instagram account @a2lettering
